

# Our 8 golden group rules

## We always have fun and keep safe

We follow the rules so that we have a great time without getting hurt

## We are kind and helpful

We always try to put others first and make them smile

## We are gentle and careful

We never hurt others or break or take other people's property

## We are respectful and caring

We don't hurt people's feelings and we look out for each other

## We keep our hands and feet to ourselves

We never push or kick and don't touch or hug others if they don't like it

## We listen and are quiet when we need to be

We hear each other and don't interrupt people when they're talking

## We are honest and truthful

We don't tell lies, cover up the truth or blame others for our mistakes

## We play fair and we share

We treat everybody the same and share the things we want to
